## VAN DE MAKELAAR

This Najad 330 presents an excellent opportunity to own one of the most respected Scandinavian quality yachts. The vessel has been well cared for and has benefited from significant investments and upgrades in recent years. The current owner, only the second owner since new and in possession since 2021, has maintained her with great attention. Featuring a practical two-cabin layout, she is well suited for extended cruising and comfortable stays on board. A ready-to-sail yacht, prepared for her next adventure.
