# NAVALIA APM 165 OPEN

## VAN DE MAKELAAR

Her interior layout was intelligently reconfigured to maximize versatility, now offering a dedicated aft crew area with two single berths and a shared head, while preserving three private owner and guest staterooms forward-all with dedicated facilities. The cockpit and main deck space have been completely elevated with a freshly built starboard galley, new induction appliances, all-new interior and exterior upholstery, new biminis, updated navigation electronics, and a full hull repaint.

*Nico Stillitano*
