BROWN BLUEWATER 49

VAN DE MAKELAAR

Topaz is a Brown 49 Bluewater adventure cruising yacht. Robust, distinctive and built for serious passagemaking, she combines classic lines, Southern Ocean capability and a proven cruising history across the world's major oceans. She stands apart from modern production yachts with her strength, character and offshore presence, yet unlike many classic yachts, she is also set up as a practical liveaboard cruising yacht - now enhanced with custom Smart Boat monitoring, alerts and onboard technology for safer, more informed cruising.
